

# SWING FOR CANCER

## NORTHERN CALIFORNIA CANCER ADVOCATES

*We need your support!*

Join the **Northern California Cancer Advocates** September 3<sup>rd</sup> for our 10<sup>th</sup> Annual Swing for Cancer Tournament. We'll host a Bloody Mary Bar before the start. Susanville Rotary will host a bar through the duration of the tournament. There will also be great raffle prizes located in the clubhouse. 100% of funds raised go directly to a Cancer Fighter. Each player will receive a swag bag and lunch, along with free entry into 4 tournament play contests.

*This year marks our 10<sup>th</sup> year hosting this tournament, we hope to see you there!*

Ten years since our first tournament in 2013, we've raised over \$216,413.45, which has helped 262 Cancer Fighters in Lassen and Plumas counties. Each year through the efforts of our volunteers and community sponsors we continue our mission to provide financial assistance to local Cancer Fighters. In February 2022 we hosted our first Crab Feed, which sold out! With that success we hope to continue to host the Crab Feed in the future.

Each hole sponsor will have their company logo, brand, or message featured on one hole on the golf course that will be seen by each tournament player. There is also the option of adding a photo of a loved one or friend in memory of in lieu of a company sponsored logo.
